

Town of Rutland, Vermont Annual Report

A photograph of a modern office interior. In the foreground, a large L-shaped reception desk with a light-colored wood top and a rustic stone base is prominent. Behind the desk, several computer workstations are arranged along a long wooden desk. Each workstation includes a monitor, keyboard, and office chair. The office has large windows on the right wall, providing natural light. The ceiling is a drop ceiling with square fluorescent light fixtures. The walls are a neutral, light color. The overall atmosphere is professional and functional.

**For Fiscal Year
Ending
June 30, 2020**

Our Town Report is dedicated to our Essential Workers.

This was a year governed less by institutions of democracy and more by a deadly disease. When the coronavirus—COVID-19—reached Vermont and our Town in early spring, it threatened our very lives. Schools, offices, businesses and churches closed. Hospitals and nursing homes turned away visitors. Meetings went on line. Social interaction dwindled to quick trips to the gas station and grocery store. Our community closed in on itself.

Sweeping behind the virus came a flood of phrases that will forever eddy in our collective memory: social distancing, unprecedented times, remote learning, food insecurity, zoom meetings, mask mandate, super-spreaders, outbreak and self-quarantine, essential workers.

Just who are essential workers? Doctors, nurses and health care professionals come immediately to mind. To those we add the less visible but vital janitors and cleaners, aides and staff at nursing and community care homes, truckers and delivery drivers, postal workers, farmers and food manufacturers, grocery store clerks and shelf stockers, IT guys, teachers, day care providers, and so many more.

In Rutland Town, we've come to realize that all of our staff are essential workers. Our police and fire departments speed emergency services to residents and visitors--risking their lives from exposure to the coronavirus as well as to the hazards of their profession. Our road crews mask up and hit the road to plow, pave and mow. Attendants at our transfer station revise routines to keep everyone safe as they collect household waste. Our recreation staff maintains our playing fields, walking trails and pool so that townspeople can exercise safely outdoors. Our teachers hone remote communication skills and revise lesson plans as they reach out to teach our children.

Inside town hall there are more essential workers. They smile behind plexiglass barriers, maintain hand sanitizer stations, check drop boxes, mail out ballots. Our town clerks answer dozens of phone calls, pay the town's bills and collect taxes, process the flood of deeds in a land boom as city dwellers flee to the relative safety of Vermont. Our listers track property transfers and values—guarding the wealth of our town's grand list. Our local governing boards—Select Board, School Board, Planning Commission and Board of Civil Authority—meet remotely to oversee our government and school. Supporting the boards, managing the day to business of democracy, and patiently coaching on zoom meeting techniques, are our indefatigable town administrative assistant and our school administrators.

To all of our essential workers—in our government and in our broader community--thank you! We value your work, we applaud your initiatives to keep us safe, and we are grateful to you beyond measure.

NOTICE TO VOTERS

For Local Elections

BEFORE ELECTION DAY:

CHECKLIST POSTED at Clerks Office by Sunday January 31, 2021. If your name is not on the checklist, then you must register to vote.
SAMPLE BALLOTS will be posted by February 20, 2021.

HOW TO REGISTER TO VOTE: There is no deadline to register to vote. You will be able to register to vote on the day of the election. You can register prior by visiting the town clerk's office or going online to olvr.sec.state.vt.us.

REQUEST EARLY or ABSENTEE BALLOTS: You or a family member can request early or absentee ballots at any time during the year of the election in person, in writing, by telephone, email, or online at mvp.sec.state.vt.us. The latest you can request ballots for the Annual Meeting is the close of the Town Clerk's office on Monday March 1, 2021. (Any other person authorized by you who is not a family member must apply in writing or in person for a ballot for you.)

WAYS TO VOTE YOUR EARLY BALLOT:

- You may vote in the town clerk's office before the deadline.
- Voter may take his or her ballot(s) out of the clerk's office and return in same manner as if the ballots were received by mail.
- Have ballot mailed to you, and mail or deliver it back to the clerk's office before Election Day or to the polling place before 7:00 p.m. on Election Day.
- If you are sick or disabled before Election Day, ask the town clerk to have two justices of the peace bring a ballot to you at your home. (Ballots can be delivered on any of the eight days preceding the day of the election or on the day of election.)

ON ELECTION DAY:

If your name was dropped from the checklist in error or has not been added even though you submitted a timely application for addition to the checklist, you can fill out a new registration form.

! If the clerk or Board of Civil Authority does not add your name, you can appeal the decision to a superior court judge, who will settle the matter on Election Day. Call the Secretary of State's Office at 1-800-439-VOTE (439-8683) for more information.

If you are a first-time voter who submitted your application to the checklist individually by mail and did not submit the required document, you must provide a current and valid photo identification, or a bank statement, utility bill, or government document that contains your name/current address.

If you have physical disabilities, are visually impaired or can't read, you may have assistance from any person of your choice. If any voters you know have disabilities let them know they can have assistance from any person of their choice.

If you know voters who cannot get from the car into the polling place let them know that ballot(s) may be brought to their car by two election officials.

If you have any questions or need assistance while voting, ask your town clerk or any election official for help.

NO PERSON SHALL:

- ! Vote more than once per election, either in the same town or in different towns.
- ! Mislead the board of civil authority about your own or another person's true residency or other eligibility to vote.
- ! Hinder or impede a voter going into or from the polling place.
- ! Socialize in a manner that could disturb other voters in the polling place.
- ! Offer bribe, threaten or exercise undue influence to dictate or control the vote of another person.

FOR HELP OR INFORMATION: Call the Secretary of State's Office at 1-800-439-VOTE (439-8683). (Accessible by TDD)

If you believe that any of your voting rights have been violated, you may file an Administrative Complaint with the Secretary of State's Office, 128 State Street, Montpelier, VT 05633.

If you believe you have witnessed efforts to commit any kind of fraud or corruption in the voting process, you may report this to your local United States Attorney's Office.

If you have witnessed actual or attempted acts of discrimination or intimidation in the voting process, you may report this to the Civil Rights Division of the United States Department of Justice at (800) 253-3931.

INSTRUCTIONS FOR VOTERS using Australian Ballots

CHECK-IN AND RECEIVE BALLOTS:

- Go to the entrance checklist table.
- Give name and, if asked, street address to the election official in a loud voice.
- Wait until your name is repeated and checked off by the official.
- An election official will give you a ballot.
- Enter within the guardrail and go to a vacant voting booth.

MARK YOUR BALLOT: For each office listed on the ballot, you will see instructions to "Vote for not more than one, or Vote for not more than two, etc."

- To vote for a candidate, fill in the oval to the right of the name of the candidate you want to vote for.
- WRITE-IN candidate(s). To vote for someone whose name is not printed on the ballot, use the blank "write-in" lines on the ballot and either write-in the name or paste on sticker, then fill in the oval.

CHECK OUT:

- Go to the exit checklist table and state your name in an audible voice.
- Wait until your name is repeated and checked off by the official.

CAST YOUR VOTE by depositing your voted ballot in "Voted Ballots" box.

LEAVE the voting area immediately by passing outside the guardrail.

RUTLAND TOWN WARNING

The legal voters of the Town of Rutland, Vermont are hereby warned and notified to meet remotely via Zoom Conference** on Monday, March 1, 2021 at 7:00 p.m. to discuss Articles 1 through 22. Rutland Town Neighbors and Friends,

A year ago, if someone had told us what 2020 would look like, we would have never believed it. To think that a respiratory pandemic would sweep across the world and affect our way of life is something we were only used to seeing on the Hollywood big screen. COVID-19 will leave its mark on Rutland Town for years to come and we are thankful to see the calendar turn to 2021. We will get through this pandemic together, as one community.

In January of 2020, we saw the departure of Kirsten Hathaway, town clerk and treasurer. Kirsten spent 3 ½ years in these roles and we thank her for everything that she accomplished. During Kirsten's tenure, we saw improvements in processes and upgrades to the clerk's office. We wish Kirsten well as the Director of Finance and HR at the Rutland Housing Authority.

Town Meeting Day ushered in a new town clerk and treasurer, Kari Clark. After spending many years in education, Kari decided it was time for a career change and won both positions in a four-way race. Kari is married to Rutland Town's Fire Chief, Christopher Clark. We wish Kari a lot of success in her new roles.

In late March of 2020, the select board made the decision to implement a spending freeze across all departments. Unless a purchase was an absolute need to operate, we decided to hold off on spending. This resulted in a \$174,000 surplus at the end of FY20.

In partnership with our road commissioner Byron Hathaway, the decision was made to hold off on summer paving until 2021. This allowed us to hold onto nearly \$300,000.00 during a time of so much financial uncertainty. The decision to hold off on paving would not have been such an easy one if it wasn't for two decades of exceptional highway leadership from Byron, with help from his staff of Walter Tripp and Jason Bathlon.

Although the select board held off on most projects due to the pandemic, we did complete a major waterline installation on Randbury Road. This commercial and industrial section of our town was missing this much needed service. This project was completely funded from a separate water account that the town created decades ago. Absolutely none of your tax dollars were used to fund this project. A project of this magnitude will help attract new development to the south-end of Rutland Town and offer better fire protection for existing buildings.

Northwood park continued to see upgrades and improvements to our trail systems. This award-winning park is at the heart of our town and is a great symbol of our commitment to recreation. Thanks to Rec Director Mike Rowe, he and his team were able to keep the pool open this summer, all while adhering to safety guidelines due to COVID-19. Many of our residents enjoyed an escape from reality by floating away the summer heat at Northwood.

If you are a user of our town's transfer station, you have the privilege of seeing two of the friendliest people around, Larry and Bill. These two gentlemen have done a tremendous job in the face of this pandemic to keep our residents safe while disposing of your trash and recyclables. The select board put in place additional safety precautions at the transfer station in light of COVID-19. This year we also started to accept your food scraps to come into compliance with a new state law.

COVID-19 also shined a spotlight on the importance of our fire and police departments. Our local heroes who serve in each agency deserve our thanks. Under the leadership of Chief's Clark and Dumas, we have seen a clear vision for public safety, financial restraint during tough times, and a

passion for helping those in need. The residents of Rutland Town can rest easy knowing that we have such fantastic first responders in place.

The select board and school board continued our shared commitment to the safety of our children and staff at the Rutland Town School. Once again this year, our students were greeted by Officer Amber Houle who is assigned full-time to this important detail. From a public safety standpoint, there is nothing more important than keeping our most precious residents safe!

Under the leadership of Barbara Pulling, the Rutland Town Planning Commission stayed busy in 2020. This year once again brought interest from solar developers, lot-line adjustments on properties, and newly proposed sub-divisions. The work of the planning commission often goes unnoticed. Thank you to the volunteers who sit on this board.

The halls of our municipal offices are filled with friendly and helpful faces, ready to serve the residents of our great community. I would be remiss if I didn't highlight the work of Bill Sweet in the administrator's office, Susan McGee in the clerk's office, Deputy Chief Ted Washburn, Officer Gamble, and Lynette Gallipo in the police department, and Howard Burgess and Marcia Chioffi in the listers office. These are dedicated public servants who go to work each day to improve the quality of life in our town.

The select board looks forward to a bright future. Our town is poised to come out of this pandemic in much better shape than many other communities. Continue to stay safe, look after one another, and know that your dedicated officials at town hall are here for you if needed.

I want to personally thank Sharon Russell, John Paul Faignant, Mary Ashcroft, and Joe Denardo for entrusting me to lead our board as chairman for the past (nearly) five years. In many ways, a select board becomes a second family. As I head to Montpelier to pursue a new adventure, I couldn't have done this without you.

Most importantly, I say thank you to the residents of Rutland Town.

Joshua C. Terenzini, Rutland Town Select Board Chairman

RUTLAND TOWN POLICE DEPARTMENT

181 Business Route 4
Center Rutland, Vermont 05736
(802) 772-4327

Edward E. Dumas II
Chief of Police

January 21, 2021

I would first like to take a moment to thank the residents of the Town of Rutland for their continued support of the Police Department. With your support our FY 20-21 budget was approved which put out staffing at four Full-Time certified officers, one part-time officer and a part time records clerk. The Police Department responded to 1,175 calls for service in calendar year 2020. This was an increase from calendar year 2019, which saw the police department respond to 1,003.

The Rutland Town Police Department has once again experienced some changes in this fiscal year, one officer resigned, and through the hiring process Officer Gamble became a full time Officer. Officer Gamble is assigned to Patrol and takes the bulk of the complaints that come into the Rutland Town Police Department as well as enforcing local speed limits and other traffic related laws.

Deputy Chief Washburn handles Patrol complaints much the same as Officer Gamble but also the bulk of the daily administrative duties that come into the Office on any given day. Deputy Chief Washburn keeps track of the training records for each officer, is a firearm instructor and most recently applied for a cash grant for small rural agencies and was awarded \$5,000.00 for the Town Police Department.

Two of our officer's work on grant funded positions. Officer Houle works as the full-time School Resource Officer which is paid for by the school while school is in session. Beginning Dec 1, 2020, a second grant was started for Officer Houle for when she is not in school. This position is as a Domestic Violence Investigator, following up with victims of Domestic Violence. This grant is funded by the Vermont Center for Crime Victims. Myself, I still work in the Child First Advocacy Center which gives the Town of Rutland \$60,000.00 a year. Our hope is for these positions to stay with the department for years to come.

Going forward RTPD will looking to create a position for a K-9 Unit. A K-9 has many uses, finding lost or missing persons, tracking criminals, locating illegal drugs, crowd control and officer safety. A K-9 is another tool that can be used to keep the public safe as well as the police officers.

The Rutland Town Police Department is working with the Vermont Canine Association and the goal is to fund the unit by grants, fund raising and donations. With the help of the Vermont Canine Association, The Town Police Department has raised \$5,940.00 dollars. Our goal is to raise \$20,000.00 by the end of 2021.

In closing, the Town Police Department will continue to work hard to protect the lives and property of the town residents and visitors.

Sincerely,
Edward E. Dumas II
Chief of Police

Town of Rutland Highway Department Annual Report

Where to start with this year. O yeah, early March when paving is put out to bid. We received some very competitive bids this year but with the pandemic caused uncertainty in the 1% options tax collections, the Select Board decided to put off paving this summer and instead wait until next spring when we will combine two years of paving into one summer.

In response to the pandemic the highway department was closed for two weeks in April. Our senior employee was brought back the first of May while the junior employee remained on unemployment until July. We continued to work on maintenance duties during this time.

With paving put off, extra time was created for the highway department to do small maintenance projects. In mid-July a small excavator was rented for three months to do these projects as well as a couple of grant funded projects. This worked very well for the town and saved some money in the budget that will be put toward paving in the spring.

The roadside mower that we have owned jointly with Clarendon was sold to Clarendon. A newer tractor was purchased jointly with the Town of Mendon. The new tractor worked well this past summer allowing us to mow in a timelier manner which will help to control some of our invasive species.

Plans were made this year to build a small cold storage building near the existing highway garage. A few hemlock trees were cut in Northwood to provide the framing lumber needed. A local town resident that has a sawmill, sawed the logs into the framing materials. Trusses for the roof were engineered and purchased from LeValley's. The only hold up was a required operational stormwater permit that was needed from the Agency of Natural Resources. An engineer was hired to secure that permit. Construction of the building could start this early winter weather permitting. The actual construction will be done by personnel from the highway department working with help from the police department and help from the recreation department. This will give us an inexpensive storage building for the three departments to use.

Perhaps next year will have the pandemic under control and things can get back to some sort of new normal.

Rutland Town Fire Department Annual Report

The officers and members of the Rutland Town Fire Department would like to thank the citizens and Select Board of Rutland Town for their continued support.

We reported last year that we had started the process to replace Engine 3 out of the McKinley Avenue station. I am pleased to report that the truck has been ordered and we plan to take delivery in December of 2021. I would like to thank the truck committee for the countless hours that they have put into the process.

The officers and members of the department continue to train and upgrade their skills by attending training classes put on by the department and the State of Vermont Fire Service Training Counsel. We currently have 32 active regular firefighters of which 24 are certified Level 1 or higher with two more members currently enrolled in the combination Level 1 course. We also have one junior member.

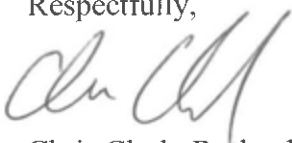

This year the department responded to 173 calls for service, this is down from 216 calls for service last year. This year has been unique to say the least due to the COVID-19 pandemic. We have had to modify our weekly trainings/work nights due to the pandemic and complying with the Governor's mandates. Vermont Fire Service Training assisted with online training classes to give firefighters more access to classes in a non-traditional setting. In part due to this, we have still managed to meet our training requirements.

The Rutland Town Fire Department is always looking for new members. We have three levels in the department: Cadet FF, ages 14 & 15, Junior FF, ages 16 & 17, and Senior FF age 18 and older. If you or anyone you know would like more information on becoming a member then please stop by any one of our two stations on a Wednesday evening. This is our regular training night. You can talk with our members to get an idea of what is involved in the fire service to see if this is something you would like to pursue.

In closing, I would like to thank the officers, members and the families of the Rutland Town Fire Department for all of the sacrifices, dedication, hard work and support they provide to make this department a highly trained, well organized and professional organization.

A special thanks goes out to Chief Ed Clough for his 40 years of dedicated service to the Rutland Town Fire Department. Chief Clough worked his way up through the ranks first as Lieutenant, then as Captain and finally retiring as Assistant Chief in 2011. He graciously stayed on as a Senior FF since 2011 and decided to call it a career in October 2020. Chief Clough was instrumental in the training of our firefighters and he was a mentor to all. We wish him all the best in his retirement.

Respectfully,

Chris Clark, Rutland Town Fire Chief

Rutland Town Recreation Annual Report 2020

This year the Recreation department had a huge task, how to deal with COVID-19. With that said people stepped up to help in many different ways to help with recreation in the town. The volunteers for the sports camps to the disc golf course and in between. I cannot thank you enough for all of your hard work during this most interesting time. Northwood Pool enjoyed a great summer of warm weather and people at the pool, with the events going on we were able to open and offer swimming to the community. Our plan is to be back to our summer schedule for this coming year at the pool. Stay tuned for that in April/May 2021

This spring/summer with the help of the Mcmillans, Byron, Walt and Jason we were able to create a 9-hole disc golf course up at the park. Many hours went into the creation of this course and without their help it would not be what it has turned out to be. People have raved about how good it is and many people are playing each and every day. If you get a chance head out and chuck a disc on our course. We are planning a second 9 holes for the upcoming spring/summer stay tuned.

This year we also put a lot of work into our main walking/running/biking trail with the help of many people, this will continue to evolve as the shared use path will add a complete loop to the trail system.

We were able to run a fall soccer/football program for grades K-6. Many thanks to all who helped make this a huge success in a very difficult time.

I would like to thank the Town Highway department as they have helped with keeping the parks looking great and our maintenance man Chuck Hall who has really done a great job of keeping Delbianco Park in great shape. We have done a lot of work this summer here are a few highlights:

- Trees trimmed at Dewey
- Playgrounds wood chipped
- Northwood Minors baseball field complete overhaul
- Bleachers and dugouts set in place and painted
- Disc golf course
- Walking trails

For the past 6 years we have held a couple of senior luncheons with our town seniors, the summer luncheon was held at Sugar and Spice with a good turnout and the second one was held as a drive through during the holidays at the new fire station. These events seem to be growing each year and have been a big hit with all parties involved. I would like to thank Jim and Randy for all they do to help make these events a success.

If you have any ideas on programming for the recreation department or would like to help with our programs, please contact me @ 779-2518, once again thank you for your support of Rutland Town Recreation.

Sincerely,

Michael Rowe, Recreation Director

The Rutland Town Planning Commission – Town Report 2020

The Planning Commission worked to bring a pocket park at Center Rutland Falls closer to reality this year. It has long been a dream of a number of residents and is cited by two recent Business Route 4 studies for its potential as a desired asset for the Town.

Following a site visit and a good deal of research, the Planning Commission pulled together materials with the goal of securing a grant to design the park. The materials addressed the recreational opportunities at the site along Otter Creek as well as its many connections to that area's rich historical and cultural past. At the end of FY20, the group was preparing an application to the state's Municipal Planning Grant program.

The other major project for the Commission this past year was the Town's new Stormwater Ordinance. Ever since the ordinance took effect in 2019, the Planning Commission has been working to get the word out about the new requirements.

To help clean up some of the tributaries flowing into Otter Creek, the ordinance places restrictions on certain activities within a Stream Buffer Area: 50 feet from the top of the banks of Moon and Mussey Brooks. Restricted activities include clearing of vegetation, disturbance of land surface, and changes to impervious (impermeable) surfaces or structures. If you live in this area and are considering these kinds of activities, please check with Bill Sweet at the Town Office about applying for a permit.

Another section of the new ordinance affects even more property owners – the entire Moon Brook watershed - which encompasses eastern and southeastern parts of the town. This section of the ordinance prohibits illegal discharges or wastes, including oil, grease, lawn clippings, leaves, and paint.

To help you determine whether the ordinance affects you, the Planning Commission is developing online materials including a map of the areas covered by the ordinance. We should have those for you in the next few months. In the meantime, if you have any questions, call the Town Office or feel free to attend one of our Planning Commission meetings.

For the Rutland Town Planning Commission,
Barbara Noyes Pulling, Chair

Listers Report

Due to the health threat caused by the Coronavirus (COVID-19) and recommendations based on public health, the Listers were not allowed to have visitors in the office, do the usual site visits with property owners or have face to face grievance hearings. Hearings were held by phone conferences and Zoom. Participants had to provide the Listers with photographs, sketches and information necessary for presenting their cases.

BUILDING PERMITS are now required for construction of dwellings, garages, outbuildings etc. They are also required when adding or removing decks, pools etc. The permits can be found on the Town of Rutland web site @<https://www.rutlandtown.com>.

The Listers have not been able to work together in the office due to social distancing requirements, but one Lister at a time works daily in the office. Requests for lister cards are available through the Clerk's Office or can be sent as a PDF file to any requestors email address. We are here to help and assist you so please call if you have questions or need assistance.

TOWN TAX RATES

Homestead Tax Rate = \$1.7159	(Increase of \$0.0736 over the previous year}
Non-Residential Tax Rate = \$1.8342	(Increase of \$0.0789 over the previous year)
Municipal Tax Rate = \$0.2021	(Increase of \$0.0244 over the previous year)

GRAND LIST VALUES

Real Property = \$645,927,300	(Increase of \$2,219,686 over the previous year)
Business Personal Property = \$252,176,103	(Increase of \$13,893,505 over the previous year)
TOTAL GRAND LIST = \$898,103,403	(Increase of \$166,743 over the previous year)

Since the Covid-19 pandemic we have seen an increase in property transfers and are also seeing an increase in the market values with many of these sales. The entire State of Vermont is experiencing an increase in sales and many of them are from out of State buyers coming here due to the pandemic.

Once again, we want to remind everyone that the Vermont State Homestead Declaration Form HS-122 needs to be filed annually. April 15th is the due date for filing this form. Should you miss this date, you will be penalized by the State and may not be eligible to receive the State Income Sensitivity payment.

If you have any questions, please do not hesitate to contact the Listers Office @ 802-773-2528 Ext.3204 for Howard J. Burgess or Ext. 3205 for Marcia Chioffi.

Respectfully Submitted: Howard J. Burgess, Dean W. Davis, Marcia A. Chioffi

Cheney Hill Cemetery Annual Report

The cemetery was well cared for this summer by BK Services. The cemetery commissioners have a three-year contract for mowing and spring cleanup with BK. The next contract will be put out to bid in spring of 2022.

Our investments, the Sutton fund and the perpetual fund, continue to grow and provide the needed funding for the operation of the cemetery without the use of taxpayer dollars. We hope to have enough funds to complete the driveway project that was started two years ago.

There are plenty of burial lots available for purchase in the cemetery. Individual lots are \$650 each and can be used for one full casket burial or up to 4 cremations. Additional charges are made for the second, third, and fourth cremations in a single lot. For more information about the cemetery or to purchase a burial lot contact one of the cemetery commissioners.

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Rutland, Vermont
Rutland, Vermont

Report on the Financial Statements

We have audited the accompanying modified cash basis financial statements of the governmental activities, the business-type activities, each major fund, and aggregate remaining fund information of the Town of Rutland, Vermont, as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not

A.M. PEISCH & COMPANY, LLP

for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

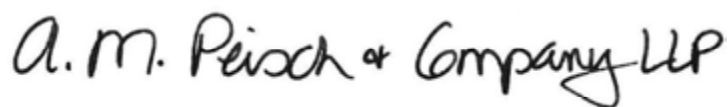

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Town of Rutland, Vermont, as of June 30, 2020, and the respective changes in modified cash basis financial position, and where applicable, cash flows thereof and the respective budgetary comparison for the General Fund for the year ended in accordance with the modified cash basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 30, 2020, on our consideration of the Town of Rutland, Vermont's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Town of Rutland, Vermont's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Town of Rutland, Vermont's internal control over financial reporting and compliance.

Rutland, Vermont
December 30, 2020
VT Reg. No 92-0000102

January 5, 2021

To Whom it May Concern,

Rutland Town finished an audit of the financial statements for the year ending June 30, 2020 by A.M. Peisch & Company, LLP. Copies of the complete audit report are available for review at the Town Hall.

Respectfully Submitted,

Kari Clark
Rutland Town Treasurer

RUTLAND TOWN SCHOOL BOARD

The School Board and Administrators continue to be extremely sensitive to the financial burden of taxpayers in our community and have made every effort to propose a budget which is affordable while meeting the educational, emotional and physical needs of our students.

The Board approved a small portion of the FY21 budget to purchase equipment for the Pre-K playground; a scoreboard to be installed on the outside of the building; tables, cubbies & chairs for students and to refurbish the gymnasium floor.

Increases to this budget include: 10% increase in health premiums (\$56,000); increase to Tuition reimbursement (\$10,000); increase to transportation (\$48,000); increase in SpEd due to increase for more IEP students (\$34,000); purchase of instructional software for curriculum; the first payment of the Bond (\$23,500); and a decrease in custodial wages. The Greater Rutland County Supervisory Union is currently in on-going negotiations with Teachers and Support Staff employees.

The Supervisory Union Administrators, along with School Principals offered to take a 0% salary increase due to the financial restrictions Boards' are facing.

The proposed 2021-2022 budget is: \$8,611,782, representing an increase of 2.22%.

This budget shows an increase to the Tax Rate to 1.5541 or an estimated tax increase of 2.66%.

This represents a conservative scenario as the Property Yield is estimated by the State and will not be set until set by the Legislators. The Property Yield decrease is due to the loss of revenue to the state and makes up the education fund deficit. There is hope that the figure will change and lower our projected tax rate.

Estimated Tax Rate: The estimated adjusted Tax Rate for the proposed budget is an increase of 2.66%. The main reason for the increase is the projected Property Yield (set by the State). The State lowered the property yield in order to cover the education fund deficit. The Board has no control on this figure. There is hope that the figure will change and lower our Tax Rate. The proposed budget shows an increase to the Tax Rate to 1.5541 or an estimated increase of 2.66% (\$.04).

Facts:

- Amount of funds sent to the State for non-residential education tax. In 2021 the amount is \$867,377 down from 2020's amount of \$922,696
- Rutland Town does not come near the per pupil threshold.
- (RTS \$16,730 vs Threshold \$18,789)
- RTS Enrollment: 2019-20 school year is 359 Grades PreK-8 and 148 Grades 9-12.

We know that without you, the voters, residents, parents and community members who have supported the School district we could not accomplish the tasks necessary to meet our student's needs. Please contact any of your Board members or Superintendent Chris Sell if you have questions and/or concerns.

Christina Keshava

February 2021

Dear Parents, Guardians and Community Members,

We would like to introduce ourselves as the Superintendent and Assistant Superintendent of the Greater Rutland County Supervisory Union. The GRCSU serves four school districts: Rutland Town School District, Wells Springs Unified Union School District, Quarry Valley Unified Union School District, and Ira School District. Our eight schools include Rutland Town School, Poultney Elementary School, Poultney High School, Proctor Elementary School, Proctor High School, West Rutland School, Middletown Springs Elementary School, and Wells Village School, with a total of approximately 1600 students' grades PreK-12.

The GRCSU, or "Central Office," oversees all aspects of the operation of the schools, including curriculum oversight, professional development, supervision and evaluation, hiring and onboarding of personnel, policies and procedures, grants, as well as all financial aspects of the schools and districts. The Business Office, headed by Louis Milazzo, is responsible for purchasing, contracted services, payroll, bill payment, developing and monitoring budgets, overseeing all grant money, and working with auditors to make sure our financial practices are sound. Students Support Services, which includes Special Education, is headed by Christine Kamm and includes all special education administrators, teachers, paraeducators, psychologists, PT, OT as well as Speech and PreK coordination. Greg Connors heads the IT Department, which is responsible for maintaining all of the technology in the schools.

This past year saw an unprecedented time for our schools within the GRCSU as we dealt with COVID-19. All schools in the state of Vermont were asked to shift to a fully remote model for the remainder of the 2020 school year. We were most proud of how quickly our administration and staff were able to mobilize resources to design an educational plan that limited the disruptive aspects of this closure and supported continued learning for all of our students. In addition, all of our GRCSU schools were able to host modified in-person graduation and promotion ceremonies at the end of last year that allowed our communities and families to celebrate these milestone events in our students' lives appropriately.

While our hopes were that as we approached the start of the school year that we would see our schools and communities return to a sense of normalcy, this global pandemic continued to have an impact on our daily lives. Realizing the importance of in-person learning while balancing the safety and health of our students, staff members, and communities were paramount to the design of our learning model for the 2020-2021 academic year. While our learning model addressed the social, emotional, and academic needs of our students, we also quickly realized the need to support our students and families with regard to school meals. Over the past ten months and in collaboration with our kitchen staff members, our administrators and school staff members have designed a system that accounts for both in-person and remote learners and has been able to provide (thanks to a federal grant) all interested families with access to weekly breakfasts and lunches.

While the majority of our work over the past ten months has been centered around COVID-19 and re-engineering our schools to meet the social, emotional, and academic needs of our students, we also have been working with our stakeholders in a wide range of areas designed to explore ways in which we can improve the quality of our schools so that each of our students receives a high-quality education that ultimately prepares them for whichever path they choose

in life. If you are interested in hearing more about this work or in taking a more active role in this process, please attend a local school board meeting or reach out to your local building principal.

We would like to thank the board for all of their hard work not just on the budgets, but throughout the entire year. They are committed to being fiscally responsible while also doing what is right for our children - a delicate balancing act.

Please remember to vote on Town Meeting Day, March 2, 2021. For more information, visit our website at www.grcsu.org or call 802-775-4342 or email us at your convenience.

Yours in Education,

Chris Sell

Chris Sell
GRCSU Superintendent

Lisa Mattison

Lisa Mattison
GRCSU Assistant Superintendent

January 2021

Dear Citizens of Rutland Town,

We would like to thank the entire Rutland Town Community for continuing to support our amazing school. We are fortunate that we have been able to provide in-person learning for our students during the pandemic, as well as offering remote learning for those families who choose that option. The faculty and staff continue to strive to build a positive school climate so our students are successful academically, socially, and emotionally. We are all so incredibly happy to be with our RTS children!

Our enrollment continues to remain strong with 356 students Pre-K through 8th grade. We pride ourselves on offering a top-notch education to all of our students. Our students continue to learn and grow despite these challenging circumstances. We are especially proud of the work that our teachers and interventionists have done to help our students achieve in reading and math.

Through your support, our students are able to take advantage of many unique learning opportunities within the classroom and throughout our community. This year those opportunities look a little different. Our eighth graders are still shopping for needy families albeit online. Students are also taking virtual field trips and making cards for local nursing home residents.

We are thankful for the voters who approved the purchase of the land behind our school, which came at a perfect time! With the extra space out back, we have been able to create outdoor classroom locations for all of our students. Our ice skating rink is almost complete and we are looking forward to skating during our physical education classes. Once the snow comes, our students will also be cross country skiing and snowshoeing around the property.

Our music program is still thriving during this pandemic. Music classes have been restricted from singing or playing musical wind instruments in an attempt to keep teachers and students safe. This has turned the way we "do" music into something new and different for the time being. Students each receive music class once a week for 40 minutes. In-person ensembles have been postponed until further notice. Students playing wind instruments receive instruction virtually on Wednesdays. Middle School students are participating in a newly created Music Appreciation class.

Through the hard work and dedication of our faculty, staff, volunteers, and the support of the Rutland Town community, Rutland Town School continues to provide a learning environment that is developing independent, well-rounded learners, citizens, and individuals. We appreciate your continuous support and encouragement of our school community. Please visit our website, <http://rts.grcsu.org/> and RTS Facebook page for weekly updates and to learn more about our exciting learning opportunities!

Respectfully,
Deborah J. Rodolfy & Sarah Tetzlaff

Director of Student Services Annual Report

January 2020

The 2019- 2020 school year was one of many firsts which have continued into the 2020-2021 school year. I would like to begin by thanking staff, families, students, and the community for their understanding and flexibility during this time. I appreciate that adjusting to remote learning was challenging for all. I am grateful that Greater Rutland County Supervisory Union (GRCSU) was able to begin and continue the 2020-2021 school year with 4 days of in-person instruction.

Special education services for students, PreK - 12th grade, are provided in accordance with the Individuals with Disabilities Education ACT (IDEA) and the Vermont Agency of Education Special Education Rules. Students who meet the criteria for special education services have the right to a free and appropriate public education (FAPE) in the least restrictive environment (LRE). Students are provided with modifications and accommodations to best meet individual needs as based on their individual education plan (IEP).

The Directors of Student Services in addition to overseeing all aspects of special education also supports; The McKinney Vento Act for the Education of Homeless Youth, Section 504 of the Rehabilitation Act of 1973, School Psychologists, Related Services Providers (Speech and Language Pathologists, Occupational Therapists, Physical Therapists), Behavioral Interventionists, Educational Support Systems, Medicaid, and Early Childhood Special Education.

GRCSU provides Early Childhood Special Education services for 3 to 6 year old children who qualify. Each of our elementary schools have full day preschool programs which provide an opportunity for children to receive special education services with their peers within the preschool program. Services may include, direct instruction from a special educator, speech or language instruction, occupational therapy, physical therapy or behavioral supports.

Based on the December 1, 2020 child count, GRCSU currently serves 317 students (PreK-12) who require specialized instruction. The disabilities include autism spectrum disorder, developmental delay, emotional disturbance, intellectual disability, multiple disabilities, orthopedic impairment, other health impairment, specific learning disability, and speech or language impairment.

It is a pleasure to work with and serve the staff, students, families, and community of Greater Rutland County Supervisory Union. If you have any questions, please contact the GRCSU office at 802-775-4342.

Respectfully submitted,

Christine Kamm
Director of Student Service

Kimberly Stedman
Assistant Director of Student Service

CHILD FIND NOTICE

The Greater Rutland County Supervisory Union and each of the member school districts (Ira, Quarry Valley, Wells Springs, and Rutland Town) are responsible for the provision of a free and appropriate public education for every child with an educational disability ages 3-21 living within a member town.

We are searching for any child including those birth through 2 years of age who might be eligible for and in need of special education and related services help. Anyone can and should make a referral of any child living in one of these towns they believe may be eligible for special education. They can do so by contacting in writing or by telephone:

The Principal of the school which the child is or will be likely to attend
OR
The Superintendent of Schools
Greater Rutland County Supervisory Union
16 Evelyn Street, Rutland, VT 05701
Tel: 802-775-4342

Referral information will be handled in confidence. The referral may lead to an evaluation of the child to determine if he or she is eligible for and in need of special education. If the answer is yes, an individualized educational plan will be developed and implemented by a multi-disciplinary team of people including the child's parents.

Please. If you suspect a child residing in one of these towns may be in need of special education, make a referral.

NOTICE OF NON-DISCRIMINATION

The Greater Rutland County Supervisory Union and its member districts, will not discriminate on the basis of disability in admission or access to, or treatment or employment in, its programs and activities including vocational education and special instruction as and to the extent provided by law.

The following person(s) have been designated to handle inquiries regarding the specified school district's non-discrimination policies:

Kristen Caliguiri, Principal Poultney Elementary School, 96 School Circle, Poultney, VT 05764 Tel: 287-5212
Joe DeBonis, Jr, Principal Poultney High School, 154 East Main Street, Poultney, VT 05764 Tel: 287-5861
Christy Coloutti, Principal Proctor Elementary School, 14 School Street, Proctor, VT 05765 Tel: 459-2225
JoAnn Canning, Principal Proctor Jr./Sr. High School, 4 Park Street, Proctor, VT 05765 Tel: 459-3353
Deborah Rodolfy or Sarah Tetzlaff Co-Principals Rutland Town School, 1612 Post Road, Rutland, VT Tel: 775-0566
Rick Beal, Principal Middletown Spr Elementary School, 15 Schoolhouse Road, Middletown Springs, VT Tel: 855-5155
Elizabeth Coltey, Principal Wells Village School, 36 MWA Loop, Wells, VT 05774 Tel: 645-0386
James Slenker, Principal West Rutland School, 713 Main Street, West Rutland, VT 05777 Tel: 438-2288
Christopher Sell, Superintendent GRCSU, 16 Evelyn Street, Rutland, VT 05701 Tel: 775-4342

Additional inquiries regarding the provisions of the federal law related to children or adults with handicapping conditions or disabilities impacting the Greater Rutland County Supervisory Union or its member districts including Section 504 of the Vocational Rehabilitation Act, the Individuals with Disabilities Education Act, and the Americans with Disabilities Act can be obtained by contacting the Superintendent of Schools, Greater Rutland County Supervisory Union, 16 Evelyn Street, Rutland, VT 05701, Tel: 775-4342

RUTLAND TOWN SCHOOL DISTRICT WARNING

The legal voters of the Rutland Town School District are hereby notified and warned to meet virtually at six o'clock on Monday, March 1, 2021, to discuss the following matters to wit.

Meeting link and dial-in information can be found on the GRCSU and RTS Calendars on their respective websites: www.grcsu.org and rts.grcsu.org

1. To hear and act upon the reports of the Town of Rutland School District
2. To hear and discuss the proposed school district budget. All citizens are invited to attend virtually and provide the school board with comments and ask questions concerning the proposed school budget.
3. To transact any other business that may legally come before said meeting.

At the close of business, the meeting shall recess to 7:00 A.M. Tuesday, March 2, 2021 at the Town Hall, Center Rutland, for voters living on the west side of Route 7, and the elementary school on Post Road for voters living on the east side of Route 7, to vote by Australian Ballot on Articles 1, 2 and 3. The polls will open at 7:00 A.M. and close at 7:00 P.M.

ARTICLES:

1. Shall the voters of the Town of Rutland School District approve the school board to expend \$8,611,781.77, which is the amount the school board has determined to be necessary for the ensuing fiscal year? It is estimated that this proposed budget, if approved, will result in education spending of \$16,730 per equalized pupil. This projected spending per equalized pupil is 0.74% higher than spending for the current year.
2. To elect the following officers to serve from their election and qualification until March following the election and qualifications of their successors:
 - A. School Director for a term of three (3) years
 - B. School Director for a term of two (2) years
 - C. School Director for a term of one (1) year (Remainder of previously held two (2) year term)
3. Shall the voters of the Town of Rutland School District reauthorize the Reserve Fund established in March 2007 for Capital Improvements for Building and Grounds to comply with the provisions of 24 V.S.A. §2804 by specifying that the Board of School Directors is legally authorized to expend such funds for capital improvements to the building and grounds; voter approval is required if such funds are to be expended for another purpose?

The legal voters of the Rutland Town School District are further notified that voter qualification, registration, and absentee voting relative to said special meeting shall be as provided in Chapters 43, 51, and 55 of Title 17, Vermont Statutes Annotated.

Adopted and approved at a regular meeting of the Board of School Directors of the Rutland Town School District duly called, noticed, and held on January 19, 2021.

Dated at Rutland Town, Vermont this 19th day of January 2021.

BOARD OF SCHOOL DIRECTORS

Lynette Gallipo, Chairperson

Tim Hammond, Vice-Chairperson/Clerk

Matt Branchaud, Member

Tina Keshava, Member

Russ Marsan, Member

Received for record and recorded in the records of the Rutland Town School District on January 20, 2021.

Karl Clark Town Clerk

District: Rutland Town		T174		Property dollar equivalent yield	Homestead tax rate per \$10,763 of spending per equalized pupil
SU: Greater Rutland County		Rutland County	10,763		1.00
			12,825	Income dollar equivalent yield per 2.0% of household income	
Expenditures		FY2019	FY2020	FY2021	FY2022
1.	Budget (local budget, including special programs, full technical center expenditures, and any Act 144 expenditures)	\$7,694,351	\$7,941,037	\$8,424,741	\$8,611,782
2.	<i>plus</i> Sum of separately warned articles passed at town meeting	-	-	-	-
3.	<i>minus</i> Act 144 Expenditures, to be excluded from Education Spending (Manchester & West Windsor only)	-	-	NA	-
4.	Locally adopted or warned budget	\$7,694,351	\$7,941,037	\$8,424,741	\$8,611,782
5.	<i>plus</i> Obligation to a Regional Technical Center School District if any	-	-	-	-
6.	<i>plus</i> Prior year deficit repayment of deficit	-	-	-	-
7.	Total Budget	\$7,694,351	\$7,941,037	\$8,424,741	\$8,611,782
8.	S.U. assessment (included in local budget) - informational data	-	-	-	-
9.	Prior year deficit reduction (included in expenditure budget) - informational data	-	-	-	-
Revenues					
10.	Offsetting revenues (categorical grants, donations, tuitions, surplus, etc., including local Act 144 tax revenues)	\$230,555	\$92,778	\$143,804	\$226,458
11.	<i>plus</i> Capital debt aid for eligible projects pre-existing Act 60	-	-	-	-
12.	<i>minus</i> All Act 144 revenues, including local Act 144 tax revenues (Manchester & West Windsor only)	-	-	NA	NA
13.	Offsetting revenues	\$230,555	\$92,778	\$143,804	\$226,458
14.	Education Spending	\$7,463,796	\$7,848,259	\$8,280,937	\$8,385,324
15.	Equalized Pupils	504.60	498.11	498.63	501.20
16.	Education Spending per Equalized Pupil	\$14,791.51	\$15,756.08	\$16,607.38	\$16,730.49
17.	<i>minus</i> Less ALL net eligible construction costs (or P&I) per equalized pupil	\$70.24	\$80.35	\$79.22	\$119.22
18.	<i>minus</i> Less share of SpEd costs in excess of \$60,000 for an individual (per eqpup)	\$9.74	-	-	-
19.	<i>minus</i> Less amount of deficit if deficit is SOLELY attributable to tuitions paid to public schools for grades the district does not operate for new students who moved to the district after the budget was passed (per eqpup)	-	-	-	-
20.	<i>minus</i> Less SpEd costs if excess is solely attributable to new SpEd spending if district has 20 or fewer equalized pupils (per eqpup)	-	-	-	-
21.	<i>minus</i> Estimated costs of new students after census period (per eqpup)	-	-	-	-
22.	<i>minus</i> Total tuitions if tuitioning ALL K-12 unless electorate has approved tuitions greater than average announced tuition (per eqpup)	-	-	-	-
23.	<i>minus</i> Less planning costs for merger of small schools (per eqpup)	-	-	-	-
24.	<i>minus</i> Teacher retirement assessment for new members of Vermont State Teachers' Retirement System on or after July 1, 2015 (per eqpup)	\$12.79	\$21.01	\$26.07	\$39.90
25.	Excess spending threshold	threshold = \$17,816 \$17,816.00	threshold = \$18,311 \$18,311.00	threshold = \$18,756 \$18,756.00	threshold = \$18,789 \$18,789.00
26.	<i>plus</i> Excess Spending per Equalized Pupil over threshold (if any)	-	-	-	-
27.	Per pupil figure used for calculating District Equalized Tax Rate	\$14,792	\$15,756	\$16,607	\$16,730.49
28.	District spending adjustment (minimum of 100%)	144.731% based on yield \$10,220	147.972% based on yield \$10,648	151.004% based on \$10,883	155.445% based on yield \$10,763
Prorating the local tax rate					
29.	Anticipated district equalized homestead tax rate (to be prorated by line 30) [\$16,730.49 ÷ (\$10,763 / \$1.00)]	\$1.4473 based on \$1.00	\$1.4797 based on \$1.00	\$1.5100 based on \$1.00	\$1.5544 based on \$1.00
30.	Percent of Rutland Town equalized pupils not in a union school district	100.00%	100.00%	100.00%	100.00%
31.	Portion of district eq homestead rate to be assessed by town (100.00% x \$1.55)	\$1.4473	\$1.4797	\$1.5100	\$1.5544
32.	Common Level of Appraisal (CLA)	103.73%	101.17%	99.75%	100.02%
33.	Portion of actual district homestead rate to be assessed by town (\$1.5544 / 100.02%)	\$1.3953 based on \$1.00	\$1.4626 based on \$1.00	\$1.5138 based on \$1.00	\$1.5541 based on \$1.00
If the district belongs to a union school district, this is only a PARTIAL homestead tax rate. The tax rate shown represents the estimated portion of the final homestead tax rate due to spending for students who do not belong to a union school district. The same holds true for the income cap percentage.					
34.	Anticipated income cap percent (to be prorated by line 30) [((\$16,730.49 ÷ \$12,825) x 2.00%)]	2.39% based on 2.00%	2.41% based on 2.00%	2.45% based on 2.00%	2.61% based on 2.00%
35.	Portion of district income cap percent applied by State (100.00% x 2.61%)	2.39% based on 2.00%	2.41% based on 2.00%	2.45% based on 2.00%	2.61% based on 2.00%
36.	#N/A	-	-	-	-
37.	#N/A	-	-	-	-

- Following current statute, the Tax Commissioner recommended a property yield of \$10,763 for every \$1.00 of homestead tax per \$100 of equalized property value. The Tax Commissioner also recommended an income yield of \$12,825 for a base income percent of 2.0% and a non-residential tax rate of \$1.73. New and updated data will likely change the proposed property and income yields and perhaps the non-residential rate.

- Final figures will be set by the Legislature during the legislative session and approved by the Governor.

- The base income percentage cap is 2.0%.

January 4, 2021

To Rutland Town Taxpayers:

The Rutland Town School District audit of the financial statements as of and for the year ending June 30, 2020 by RHR Smith and Company has been completed. Copies of the report are available for review at the GRCSU office located at 16 Evelyn St, Rutland, VT 05701

Sincerely

Louis Milazzo
Business Manager

Rutland Town School District FY22 Budget Summary

Report of Rutland Town Seniors, James B. Hall V.P. for calendar year 2020

Greetings, Rutland Town Residents, and friends:

This past year has been one of virtual pause, because of the COVID 19 virus.

In February of 2020, there were plans being made to return to the lunch program as has been customary for all the years I have been involved. There has been the practice of taking a winter break during January and February each winter. So about two days into the planning, came the word that life was about to change for all of no gatherings until further notice.

This pause was in effect until later in the summer, when we were able to schedule a lunch at Sugar and Spice, in the tent in front of the building. This was a great event, good turnout, good food, and was welcomed by all who attended. We were very fortunate that Lynn and her staff were able to fit us in and take such good care of us that day.

Our next outing turned into a curbside pickup at Center Rutland Fire Station, which was well received, and we served just a few more meals than the previous year.

Both events were sponsored by the Rutland Town Recreation Dept; we want to thank Mike Rowe for his help not only the financial part, but also all the support given to the Seniors all year in his programs. His views are widely received, as he firmly believes that recreation is a valuable function for everyone from children to senior adults. We strive to make that concept a reality as much as we possibly can. Thank you, Mike.

The next recognition is the key to all our successes, financially and otherwise. The Rutland Town Select board, is extremely supportive of our doings, and has contributed financially very generously to be sure we are able to carry on. We must mention that we have asked the Select board to suspend funding for this coming fiscal year starting in July 2021, for a couple of reasons. We were unable to schedule any lunch events beyond August of 2020, under the guidance of officials from state government, and the Town Select board. Also, the bank account we operate with is in excellent shape, so that it is expected that a year's worth of lunch activity could be accomplished with the carry-over funds we have in hand. The current balance on hand is \$3643.00, most of which came from the Select board account to begin with. So, thank you folks for the great support and encouragement as we move on into 2021. Our Seniors group participation has had almost a complete turn over in membership since I came onto the roles of the group, and our numbers are nearly the same as back then, which was in 2007 I believe.

Again, thank you one and all; the participants, The Rec Dept, The Select board, and staff in the Town Clerk's office for keeping me straight. Very much appreciated.

Anyone wishing to inquire about things that might be going on this coming year, email works best for me:

Jimhall1940@gmail.com or my phone is 802-773-5913

Best regards, and stay safe and healthy

James B Hall, V/P, Cheney Hill Seniors

Act 148 - Universal Recycling Law

July 1, 2020

- Haulers must offer food scrap collection to businesses, schools, transfer stations, and apartment complexes with more than four units.

July 1, 2020

- Food scraps are banned from landfills. 20 mile limit no longer applies.

July 1, 2017

- Transfer stations must accept food scraps.
- Generators of 18 tons of food scraps (½ ton per week) must divert if facility exists within 20 miles.

July 1, 2016

- Leaf, yard waste and clean wood are banned from landfills. Haulers must offer leaf and yard debris collection.
- Generators of 26 tons/year (2 tons per week) of food wastes must divert if composting facility exists within 20 miles.

July 1, 2015

- Residential trash must be charged based on volume or weight.
- Recyclables are banned from landfills.
- Transfer stations must accept leaf and yard waste.
- Haulers and transfer stations must offer residential recycling at no separate charge.
- Recycling containers must be provided in all publicly owned spaces where trash cans are located.
- Generators of 52 tons/year (1 ton per week) of food wastes must divert if composting facility exists within 20 miles.

July 1, 2014

- Transfer stations must accept residential recyclables at no charge.

SWAC is composed of the towns of Benson, Chittenden, Fair Haven, Middletown Springs, Pawlet, Rutland Town, Shrewsbury, Sudbury, Tinmouth, and West Haven and serves a population of approximately 14,000 people. These towns work cooperatively to comply with State laws and mandates managing solid and hazardous waste issues in an environmentally responsible and cost effective manner.

In 2020, SWAC successfully complied with the Interim Year Act 148 / ANR Solid Waste Implementation Plan (SWIP) requirements. SWAC received approval of its new SWIP in November 2020. The SWIP meets the requirements of the State's Material Management Plan and outlines how solid and hazardous waste will be managed in the SWAC towns for a five-year period. All towns in Vermont are required to be included in a SWIP, and the requirements are extensive. The currently approved and adopted SWIP is available for review on the SWAC website.

SWAC acts as a liaison to the State of Vermont representing the SWAC town's interests on issues such as legislation and rule changes, SWIP requirements, and Product Stewardship.

SWAC is a member of the Vermont Product Stewardship Council and Product Stewardship Institute. These groups have been instrumental in getting Environmental Producer Responsibility (EPR) legislation passed in Vermont. The EPR legislation requires manufacturers to be financially responsible for collection of their product(s). Current legislation includes collections for architectural paint, batteries, automobile switches, mercury thermostats, mercury lamps, compact fluorescent bulbs, and electronics waste. Efforts are underway to introduce legislation requiring manufacturers of household hazardous waste products and paper and packaging to pay for end of life disposal of their products.

HAZARDOUS WASTE: SWAC contracted with ENPRO Services of Vermont to hold three household hazardous waste (HHW) events. Almost 5 tons of hazardous waste was collected. Products included oxidizers, acids, alkalines, reactives, pesticides, aerosols, flammable liquids, ammonia, mercury devices, batteries, latex, oil based, and flammable paints, propane tanks, batteries, asbestos, pcb ballasts, and antifreeze. These events are an expensive undertaking for your towns. Consider alternative products, use the product for its intended purpose, or give to a friend, neighbor, or relative to use. Visit the SWAC website (What Do I Do With page) for locations where electronics, paint, batteries, fluorescent bulbs, and waste oil are accepted for **free**. Don't wait for the hazardous waste events.

Thank you for participating in SWAC's efforts to properly recycle and dispose of solid and hazardous waste. To keep your communities HHW and solid waste collection costs down, remember the **4 Rs – Reduce, Reuse, Recycle, and Repurpose**. Try to use up the product you purchase for its intended use. Leftovers? Consider giving it to a neighbor friend, or charitable organization.

2021 HW Schedule: May 15, Rutland Town Transfer Station, 218 Northwood Park; October

19, Fair Haven Transfer Station, 175 Fair haven Avenue. All event times are 8:30 a.m. - 12:30 p.m. Date yet to be determined - Pawlet at Dorset School. The SWAC website provides additional information as it becomes available. All events are free to all SWAC residents. **ANY** SWAC resident can attend **ANY** of the events.

Between events: Residents of SWAC towns may purchase a non-district permit to utilize the Rutland County Solid Waste District Gleason Road transfer station and hazardous waste depot. This permit allows access to the Gleason Road facility and provides drop-off of household hazardous waste at no charge, trash disposal at current rates, and access to recycling drop-offs. Permit purchase is available at the scalehouse or hazardous waste depot at the transfer station or at the RCSWD offices, located at 1 Smith Road, Rutland, Monday through Friday from 7:00 a.m. - 3:00 p.m. Permits are not available for sale on weekends at either location. Telephone 802-775-7209 for additional information and current rates.

2020 has been an unprecedentedly difficult year. Special thanks to town staff and transfer station attendants who kept operations going despite the difficulties involved. Also many thanks to the SWAC representatives and many of your town clerks, They spend countless hours assuring SWAC continues to run efficiently and effectively.

Your town was represented by:

Town of Benson	Wes Bowen, Daphne Bartholomew
Town of Fair Haven	Bonnie Rosati (Secretary/Treasurer)
Town of Pawlet	Lenny Gibson
Town of Shrewsbury	Bert Potter
Town of Tinmouth	Wheaton Squire, Michael Fallar

Town of Chittenden	Elmer Wheeler, Clifford Bassett
Town of Middletown Springs	Glen Moyer, Terry Redfield
Town of Rutland	Larry Delveneri, William Bauer
Town of Sudbury	Steve Sgorbati (Chair)
Town of West Haven	Chris Hoyt (Vice Chair)

FY2020 RUTLAND CONSERVATION DISTRICT (RNRCD) REPORT

A sample of the activities the District was involved in during 2019/2020:

Education:

Conservation Field Day/Science at the Hatchery – The District organizes this event at the Dwight D. Eisenhower National Fish Hatchery in Chittenden for local elementary schools. Topics that students learn about include: stream ecology, forests and tree identification, fish shocking and identification, soils and the different fish species raised at the hatchery and their life cycles.

Organization:

Local Work Group - District Supervisors participate in Local Work Group meetings to assist USDA in setting local priorities for Cost Share Programs administered by the Natural Resources Conservation Service (NRCS).

Programs:

Land Treatment Planning - The District works with a Land Treatment Planner providing technical assistance to farmers for the development of Comprehensive Nutrient Management Plans.

Portable Skidder Bridges - Two portable skidder bridges are available for rent to loggers and foresters. These bridges reduce stream disturbance, minimizing the potential for erosion and sedimentation.

Outreach:

Website – Please visit our website: <https://www.vacd.org/conservation-districts/rutland> for more information about District projects and programs.

Watershed Planning for the Otter Creek and its Tributaries:

With funding through grant sources, the District:

- Will work with the Rutland Recreation and Parks Department to implement Stormwater BMP's designed by Watershed Consulting Associates, LLC at Rotary Park. This will include rehabilitating and expanding an existing infiltration trench to provide extra capacity for stormwater runoff and install a new bioretention facility.
- Worked with Watershed Consulting Associates and the City of Rutland to complete the Stormwater Master Planning process for the Moon Brook in the City of Rutland.
- Is continuing to work with the VT DEC on a floodplain restoration project on the Cold River in the Town of Clarendon.
- Participated in the development of the Otter Creek Tactical Basin Plan. A copy of this plan is available on the District's website.
- Continued Water Quality Monitoring during the Summer of 2019 at eleven sites. Nine sites in the City of Rutland, one site in the Town of Pittsford and one site in the Town of Chittenden.
- Hired an Engineering Consultant to complete a 100% final design to implement the removal of the Youngs Brook Dam located in the Town of West Rutland, which will serve to restore the floodplain and wetlands and remediate adverse stream impacts, reduce erosion and sedimentation and improve water quality.
- Hired an Engineering Consultant to complete final designs for two Stormwater Best Management Practices (BMP's) identified in the Stormwater Master Plan for the Town of Brandon prepared by Watershed Consulting Associates, LLC in October 2017. 30% conceptual designs have been completed for both projects. Once the District has received the final designs a bid will go out to Construction Contractor to implement these BMP's.
- Will continue to work with the City of Rutland, Towns and landowners to develop and prepare projects for future design and implementation. These projects have been identified in Stormwater Master Plans or other reports.

For further information or to be added to our mailing list or list of volunteers, please contact Nanci McGuire at 802-775-8034 ext. 117 or nanci.mcguire@vt.nacdnet.net. You can also visit us by appointment at the USDA Service Center at 170 South Main Street in Rutland.

The Rutland Regional Planning Commission (RRPC) is a resource for towns, a platform for ideas and inspires a vision for our future. We balance local desires, best practices and regional planning for communities that are vibrant today and strong for years to come.

The RRPC and the Town of Rutland continued working together in 2020 on many community development initiatives. Some highlights include:

- Assisted town to prepare and receive funding from the Municipal Planning Grant Program in the amount of \$13,500 to develop plans for a Pocket Park near Mead /Center Rutland Falls in Center Rutland.
- Worked to secure a VT DEC Design Implementation Block Grant for a stormwater pond retrofit project at the Wynnmere subdivision.
- Provided grant assistance to Road Foreman for application to Municipal Highway and Stormwater Mitigation Program.
- Worked with town officials to complete a COVID-19 Local Response After Action Review.
- Provided technical assistance with Covid-related Local Grant Expense Reimbursement (LGER) program.
- Worked with town officials to adopt Rutland Region Public Works Mutual Aid Agreement.
- Assisted town to complete FY20 Grants in Aid projects and secure FY21 funding for stormwater best practices.

If you feel inspired to participate in local or regional planning, want to be paired with opportunities to grow your community, or just want to learn more, please visit or give us a call - we'd love to hear from you!

Cooperative planning in the region

ARC

Advocacy * Resources * Community

Serving Citizens with Developmental Disabilities and their Families

ANNUAL REPORT 2019-2020

BOARD OFFICERS:

Melissa Stevens
President

Matt Whitcomb
Vice President

Open
Treasurer

Mikayla Shaw
Secretary

BOARD MEMBERS:

John B Wing

Kate Tibbs

Bob Baxter

Herman Goldberg

HONORARY MEMBER

Terry Mangieri

EXECUTIVE DIRECTOR
Ross W Almo

REPRESENTATIVE PAYEE
Denise Leach

Mission Statement: *To advocate for the right of individuals with developmental disabilities and their families to be regarded as valued citizens with the same entitlements as non-disabled individuals, including the right to lifelong opportunities for personal growth and full participation in the community.*

INNOVATIONS

- Adapting to COVID ARC has kept connected to its members and clients via electronic media, phone, and standard post.
- The Mary and Leonard F Wing Jr Sensory and Resource Center planned opening in December 2020. The center will sponsor daily Social and Life Skill Programming and Calming Time through sensory awareness.
- The Great Outdoor Initiative, monthly fitness and adventure was received with much enthusiasm. The program ceased in March 2020. Future programing will resume when deemed safe to do so.

PROGRAMS

- **Representative Payee Program:** ARC services over 50 clients as a representative payee. This program provides financial management services to individuals with developmental disabilities who receive social security but are unable to manage their own finances.
- **Self-Advocates (SABE-R) and AKtion Club:** ARC typically facilitates monthly meetings for both the Self Advocates Becoming Empowered- Rutland (SABE-R) and the AKtion Club, a member of Kiwanis. Unfortunately, the groups were unable to meet from April through June of this year. In July, the first outdoor, social distancing, mask wearing meeting was held. In August, the group met at Crystal Beach on Lake Bomoseen for a meeting and some relaxation. During ARC's "out of office" time Daily Trivia questions were posted on ARC's Facebook page, we even played Bingo via a conference call. In May members were mailed two designs and were encouraged to participate in ARC's Great coloring Contest. In June members were mailed vegetable and herb seeds for the Summer Grow and Show Contest. In July ARC's Self Advocates joined the Green Mountain Self Advocates in a ZOOM meeting to celebrate 30 years of the American Disability Act (ADA). In both July and August "Fun & Learning" packets were mailed to members with challenges, containing education materials and a treat. We all hope the future will offer opportunities to continue our community awareness efforts with donations and fundraisers.
- **Social Events:** These events provide a safe and healthy environment for individuals with developmental disabilities that encourage building a circle of support, practicing social skills and physical exercise. Typically, activities include: five themed dances. We were able to hold the Valentines Dance, but the Easter and Spring Fling dances were cancelled. An outdoor, fall Barn Picnic and Activity Day is anticipated with great expectations. We hope to participate in the Rutland City Halloween Parade with our Kiwanis partners. Winter looks promising for snow sports with Vermont Adaptive. The 2019-2020 period may have been a little slower than in the past, but ARC served just under 800 attendees in the rolling twelve-month cycle.

STAFF

- Executive Director, Ross Almo is experienced in nonprofit - association management and has been with ARC for a year and a half. Denise Leach continues her role as Repetitive Payee. Office operations are supported by Voc Rehab, RSVP and A4TD as well as individual volunteers. ARC has a volunteer Board of Directors and community patrons.

ARC offers its sincere thanks for your continued support. As always, we do not receive State or Federal funding to accomplish our programming. We rely on the support of Rutland County and adjoining towns along with grants, and fundraisers. Our dedication to our mission statement continues as strongly now as it has for over sixty years. Typically, a thousand individuals in Rutland County take advantage of our services annually. Visit our website at: arcrutlandarea.org and like us on Facebook. Thank you for your consideration

Sincerely,

Ross W. Almo, Executive Director

Community Care Network Rutland Mental Health Services

In the year 2020, 28 towns in Rutland County supported the work of Rutland Mental Health Services through town giving. Our agency is committed to providing quality services regardless of an individual's ability to pay. The generous support of towns such as the Rutland Town assures that quality services are available for their families, friends and neighbors. Services provided to town residents include:

- Individual Counseling for Children, Adults and Families
- Substance Abuse Treatment Services
- Emergency/Crisis Services
- Developmental Disability Services

During fiscal year 2020, Rutland Mental Health Services provided 5,690 hours of services to 128 Rutland residents. We value our partnership with the Rutland Town in providing these much needed services and thank you for your continued support.

Dick Courcelle

Chief Executive Officer
Rutland Mental Health Services, Inc.

**THE VERMONT CENTER FOR INDEPENDENT LIVING
TOWN OF RUTLAND
SUMMARY REPORT**

Request Amount: \$535.00

For the past 41 years, The Vermont Center for Independent Living (VCIL) has been teaching people with disabilities and the Deaf how to gain more control over their lives and how to access tools and services to live more independently. VCIL employees (85% of whom have a disability) conduct public education, outreach, individual advocacy and systems change advocacy to help promote the full inclusion of people with disabilities into community life.

In FY'20 (10/2019-9/2020) VCIL responded to thousands of requests from individuals, agencies and community groups for information, referral and assistance and program services for individuals living with a disability. VCIL Peer Advocate Counselors (PACs) provided one-on-one peer counseling to **236** individuals to help increase their independent living skills and **5** peers were served by the AgrAbility program. VCIL's Home Access Program (HAP) assisted **124** households with information on technical assistance and/or alternative funding for modifications; **89** of these received financial assistance to make their bathrooms and/or entrances accessible. Our Sue Williams Freedom Fund (SWFF) provided **61** individuals with information on assistive technology; **36** of these individuals received funding to obtain adaptive equipment. **573** individuals had meals delivered through our Meals on Wheels (MOW) program for individuals with disabilities under the age of 60. We are also home to the Vermont Telecommunications Equipment Distribution Program (VTEDP) which served **41** people and provided **30** peers with adaptive telecommunications enabling low-income Deaf, Deaf-blind, Hard of Hearing and individuals with disabilities to communicate by telephone. Due to the pandemic VCIL was able to start a new (temporary) program, Resilience and Independence in a State of Emergency (RISE) which served **12** people in its first few months. The Rise Program can help provide an array of items or services if the needs are directly related to the Covid-19 epidemic.

VCIL's central office is located in downtown Montpelier and we have five branch offices in Bennington, Chittenden, Lamoille, Rutland and Windham Counties. Our PACs and services are available to people with disabilities throughout Vermont. Our Montpelier office also houses the Vermont Interpreter Referral Service (VIRS) and provides statewide interpreter referral services for sign language, spoken English and CART services for assignments in medical, legal, mental health, employment, educational, civil and recreational settings.

During FY'20, **13** residents of **Rutland** received services from the following programs:

- Meals on Wheels (MOW)
(\$5,362.00 spent on meals for residents)
- Home Access Program (HAP)
(resident on w/l for modifications in FY'21-project started)
- Peer Advocate Counseling Program (PAC)
- Information Referral and Assistance (I,R&A)

To learn more about VCIL, please call VCIL's toll-free I-Line at:
1-800-639-1522, or, visit our web site at **www.vcil.org**.

December 31, 2020

Chamber & Economic Development of the Rutland Region Annual Town Report

It has been a year of change not only in our region, but across the world, with the COVID-19 pandemic impacting nearly every business sector and changing not only the way we do business, but how we live. There are countless reasons why we are proud to call the Rutland Region our home. Most importantly is the way we have come together as a community and supported one another. As you may have already heard, Rutland Economic Development Corporation and the Rutland Region Chamber of Commerce have merged. Two strong organizations have become one to more fully serve Rutland County. The newly-minted “Chamber & Economic Development of the Rutland Region” serves on behalf of families, communities, and businesses, which form a supportive bond.

The 2019-2020 Annual Report can be found on our website at www.RutlandVermont.com/annual-report. As you read the report, you will see that there is a lot worth celebrating. In its pages, you will find stories that highlight our signature events, committee updates, and information about our recent decision to merge the two organizations. For a highlight of each of the towns in our County, watch our Annual Meeting movie found at <https://rutlandvermont.com/2020-annual-meeting/>. You will see people that you know!

We look forward to continuing to use collaboration, creativity, and ingenuity to create a regional economic climate conducive to business growth while creating a bridge to our community and cultural organizations to promote healthy and vibrant neighborhoods and enhance the quality of life in Rutland County. As part of these efforts, we continue to recognize the need to strengthen and protect our way of life by increasing the skilled pool from which business and industry can hire employees, as well as the need to grow our tax base. Each of these needs are the driving forces behind our focus on growing our regional population. We continue to move forward with the fifth year of the Regional Marketing Initiative, which has provided direct and positive results with an increase of more than 30 households, including more than 70 individuals, who have joined us as neighbors. We look forward to this trend continuing as Vermont leads the nation in protecting and supporting each other and our communities. Funding for the Initiative continues to be a collaboration between municipalities, local businesses, and grant opportunities. Go to www.RealRutland.com for highlights of the Region.

We exist to serve your family, community, and area business & industry, which make up the three-legged stool upon which we can steadfastly rest as we admire our Region and appreciate how fortunate we are to live here. Our work boldly continues so that we can both protect what those before us have created and so that we can pass on an even more prosperous and secure Region to those that are yet to come.

With respect,
Lyle P. Jepson - Executive Director

Rutland Free Library Association

Rutland Free Library Association

As with most folks, Rutland Free Library's year divides into two parts. Before Covid-19, the Library was ahead on most if not all metrics; borrowing, attendance, programs, and online usage were all well ahead of last year and on pace for the busiest year in several.

When Covid first hit, we were unsure which category of guidance to follow, but we stayed open until the schools closed, and the state eventually set standards for libraries to follow. Our goal from the start has been to provide a low-risk environment (as defined by VOSHA). Our outstanding staff continued to work hard behind the scenes, preparing for reopening, mostly from home, and we offered curbside service as soon as it was permitted.

We also increased our online offerings, buying more copies of more downloadable e-books and audiobooks, and adding Kanopy video streaming service. We were able to do this by tapping into our restricted endowment, which can only be used for materials and services. Library staff also generated and maintained pages on Covid information and on cultural offerings available to Rutland residents while in-person entertainment was unavailable. We also offered online Story Time and yoga on our YouTube channel.

Being able to provide so many services to so many users while the doors were closed is a good reminder that a library is not a building, it is the people who provide and use the services.

Online borrowing has been increasing about 2 percent per year, and we were on pace for about 10 percent of our loans to be delivered electronically; after the enforced closure we finished the year at about 12 percent. The free WiFi available around the building was also in regular demand.

Unsurprisingly, adding free services at a time when our users were suffering an economic shock was popular, as was curbside.

As soon as the governor allowed staff into the building again, we got to work creating social distancing space, training staff on safety procedures, setting up a quarantine area in the lobby for all returned items, and putting up Plexiglas barriers and signage. With an assist from Foley Services, we got the needed supplies and cleaning, and were able to reopen on June 2, the second library in the state to do so (one day behind Quechee), and weeks ahead of most other libraries in the state. Using its experience, the Library has been active statewide helping other libraries find ways to safely provide services.

Although we continue to offer curbside, patrons appreciate the ability to browse the stacks, use our computers, print and copy materials, and just be in the building, while observing social distancing. Most popular is what we are calling "concierge service," an offshoot of curbside where patrons call ahead, have an item placed on hold, then drop in and pick it up. We expect that service to remain in demand well after the time Covid is a concern.

The Library is committed to providing as many services as possible under pandemic conditions and looks forward to being able to return to full service and programming as soon as it is safe to do so.

Randal Smathers, *Director*

Director's report

It feels like time for thanks! Make that a **BIG THANKS!** To everybody for pitching in this month. I know it's a month early, but we can just call it Canadian Thanksgiving and go with it:

We had a very productive, open discussion in our **October staff meeting** about Covid policies / procedures, reopening vs. curbside, etc. Really good Q&A. Thanks to the staff as always for their input.

Thanks to the Development committee for picking up my slack on the **Vermont Bound project** (https://rutlandfree.org/vermont_bound), and for the great work on the annual appeal.

Thanks to **Sharon and Barry for their committee work**, which has been over and above the call, and most of my work this month has been with committees, so fewer updates than usual.

The **hard part of the month** was working on the issues around buttoning up a public building, after several months when the state's recommendation was to keep the doors and windows open. Fall is

always a tricky month; the admin staff will be getting a primer Friday on how to best manage the air exchange unit and the boilers to avoid having the heat running with the windows open. Big shout out to my colleague Mary Danko at Fletcher Free Library in Burlington, who helped me hold the state's feet to the fire over their lack of clear guidance on this.

The other scrap was w/ the Department of Libraries who have been giving out **conflicting information** over whether it is OK to mandate Covid tests (it is). Not that we're planning to, but their inconsistent information is troubling. In the realm of lead, follow, get out of the way, the state is following and the feds are just in the way.

We did resume **First Wednesdays virtually**, for those of you willing to endure one more Zoom call, they're very educational. November's is on suffragettes. Can I point out that having to use the feminine "-ette" ending on that word seems very 19th century?

And it was in the newsletter, but I would like to get a thanks into the record to **David Allan Rose of Middlebury WoodWorks** (above) for the beautifully crafted Little Free Library on our front lawn. He just showed up one day and offered to install it, free of charge. Dug his own post hole, poured his own concrete. Standup fella.

Report to the Citizens of Rutland Town

This report describes the services that the Southwestern Vermont Council on Aging (SVCOA) provided to elders in Rutland Town in 2020:

Nutrition Support

The Council helped provide 1,994 meals that were delivered to the homes of 25 elders in your community. This service is often called “Meals on Wheels”. In addition, 22 Rutland Town elders came together at a luncheon site in your area to enjoy a nutritious meal and the company of others; 266 meals were provided.

Additionally, SVCOA provided 10.75 hours of one-on-one nutrition support, including nutrition assessments and resource connections and referrals, to 15 residents of Rutland Town.

Case Management Assistance:

SVCOA case management and outreach staff helped 19 elders in your community for a total of 68.25 hours. Case managers meet with an elder privately in the elder’s home or at another agreed upon location and assess the elder’s situation. They will work with the elder to identify needs and talk about possible services available to address those needs. If the elder desires, the case manager will link the client to appropriate services, coordinate and monitor services as necessary, and provide information and assistance to caregivers. Case managers also help elders connect with in-home assistance programs, including a program called Choices for Care. This program is especially helpful to frail elders facing long term care placement who still wish to remain at home.

Other Services and Support:

1) “Senior Helpline” assistance at 1-800-642-5119. Our Senior HelpLine staff provide telephone support to elders and others who need information on available programs and community resources; 2) Medicare and health benefit counseling information and assistance through our State Health Insurance Program; 3) Legal service assistance through the Vermont Senior Citizens Law Project; 4) Information about elder issues and opportunities via various agency articles and publications 5) Nutrition education and counseling services provided by SVCOA’s Registered Dietician; 6) Senior Companion support for frail, homebound elders; 7) Outreach services to elders dealing with mental health issues through our Elder Care Clinician. This service is provided in cooperation with Rutland County Mental Health; 8) Transportation assistance; 9) Caregiver support, information and respite to family members and others who are providing much needed help to elders in need of assistance; 10) Money Management programs that offer either a volunteer bill payer or representative payee services to elders and younger disabled individuals.

37th
ANNUAL REPORT
(Fiscal Year Ending June 30, 2020)
37 Years of Service 1983 - 2020

To the Honorable Citizens of the Town of Rutland:

We are pleased to present our 37th annual report to the Citizens we serve. Regional Ambulance Service, Inc. has continually provided emergency and non-emergency ambulance service for thirty-seven years. From 1983 to the end of the fiscal year, Regional has responded to 230,369 ambulance calls. This past year, ending June 30, 2020, the service responded to a total of 8,943 ambulance calls in our 12 communities and an additional 195 "Medic One" paramedic intercept calls. We are proud of our accomplishments and look forward to continuing to serve the public.

This past year, COVID-19 has and will continue to dominate activities at R.A.S. The safety of our patients and staff remains our number one priority. We diligently follow CDC and State Guidelines. We assure you that we are doing everything we can to promote a safe and secure environment for your safety. We are grateful for our dedicated employees. The R.A.S. staff have been and will be there to meet the community needs during these difficult times.

We thank everyone from the communities we serve, our co-workers, our fellow emergency service workers and everyone in the community who have been so gracious with their support, kindness and generosity.

With the continued support of the citizens, our employees, and community governing bodies, we have successfully level funded or lowered the assessment rate for the past 36 years. Since 1990 the assessment rate has been decreased by 36%. Our current assessment rate is \$4 per capita and remains unchanged for the next fiscal year. The public support of our Membership program, direct donations, memorials and estate gifts have been vital to our continued success. Thank you.

Our motto, "Serving People First with Pride, Proficiency and Professionalism" is demonstrated by our employees' commitment to continuing EMS training. Each year our employees have specialized training in Critical Care Paramedicine, Best Practices in Decontamination/Disinfectant, ALS, BLS, Prehospital Advanced Trauma and Medical Life Support, Pediatric Advanced Life Support, Emergency Vehicle Operations, Bloodborne Pathogens and a variety of continuing education programs. Our professional staff is extremely capable and dedicated.

Monthly C.P.R. classes are taught at Regional Ambulance. Last year, through the R.A.S. American Heart Association Training Center, 1,695 people were trained in C.P.R. Tours, lectures, demonstrations and C.P.R. classes are available for the general public. Child Car Seat inspections are Wednesdays at the Regional Ambulance building by appointment. We completed 80 child car seat inspections this past year.

The public is encouraged, when our facility opens back up to the public, to visit and talk to our employees at our Stratton Road facility. Please feel free to contact Jim Finger, Chief Executive Administrator, or your Representative, if you have any questions concerning the service.

We are proud of our accomplishments and look forward to serving you in the future. The Board of Directors, Administration and employees of Regional Ambulance Service Inc. will continue working to provide the highest quality of emergency ambulance care at the lowest possible cost to all of the citizens we serve.

Sincerely, Paul Kulig, President
R.A.S. Board of Directors

RSVP & The Volunteer Center

Community Care Network
Rutland Community Programs
thriving community, empowered lives.

2021 REQUEST FOR TOWN FUNDING & Yearly Report for FY20 TOWN OF: Rutland Town • AMOUNT REQUESTED: \$670.00

Brief Description of RSVP & The Volunteer Center

RSVP and The Volunteer Center is a volunteer program for people of all ages who want to meet community needs through volunteer service. RSVP/VC considers volunteering to be a key solution in responding to Rutland County's most pressing challenges. Needs are met in critical areas such as human services, elder care, health care, education, literacy, and the arts. RSVP/VC involves individuals in service that matches their personal interests and makes use of their varied life and professional experiences. RSVP/VC enables people to contribute to their communities while enjoying the personally satisfying and rewarding experience that community engagement offers.

RSVP also offers several free "Signature Programs" that benefit residents. These include RSVP Bone Builders, an osteoporosis prevention program which provides strength and balance exercise classes offered twice per week at many locations in Rutland County; RSVP Rutland Reads a children's literacy and mentoring program; RSVP Veterans Connections Program, a program designed to reduce social isolation in veterans; and RSVP Operation Dolls & More, which distributes over 15,000 new and restored items to children. Last year approximately 25,000 items were distributed through RSVP Operation Dolls & More to 47 partner agencies and an estimated 1,200 children. We also partner with AARP to provide income tax return services to low income residents of Rutland County. Locally, RSVP/VC is the largest program of coordinated volunteer services serving the people of Rutland County with 711 volunteers. From July 1, 2019 to June 30, 2020, RSVP/VC volunteers provided 124,606 hours of community service. The cost benefit to the communities of Rutland County in terms of cost of services provided equals \$3,389,276.

Services Provided to Rutland Town Residents

In FY'20, Rutland Town residents took advantage of RSVP programs such as free income tax return preparation, and our osteoporosis prevention classes. Rutland Town RSVP volunteers donated their services to the following non-profit organizations: American Red Cross, Paramount Theater, AARP Tax Program, Young at Heart Senior Center, Godnick Center, Dismas House, Marble Valley Correctional Facility, Community Cupboard, Osher, Rutland Regional Medical Center, Bridges & Beyond, One-2-One, Loretto Home, Interage Adult Day Center, Mountain View Center, Meals on Wheels, RSVP Rutland Reads and RSVP Operation Dolls & More. In FY'19 Rutland Town RSVP volunteers donated 6,379 hours of service to the community.

The monies we are requesting this year will be used to help defray financial impact of the COVID-19 pandemic on our organization. Our volunteers are continuing to support the communities through the pandemic; and we have added new initiatives such as mask making for local agencies and wellness calls to isolated seniors. With your help, RSVP/VC will continue to respond to the needs of our local communities.

On behalf of RSVP & The Volunteer Center and our non-profit partners, we would like to thank the residents of Rutland Town for their continued support of RSVP. If you have any questions or would like to learn more about our programs, please feel free to call us at 775-8220.

Sincerely,

Alix O'Meara

Re: 2021 Ballot Item - \$500.00

Dear Kari & Selectmen Members,

On behalf of NeighborWorks of Western Vermont, I am writing to ask that we be placed on your ballot with a repeat request for \$500.00 for the 2020/2021 year. This has been quite a year for everyone, and we are glad to report that during this difficult time we were able to help many Vermonters through loans and grants. We have provided a look at the specific services we were able to provide to the residents of your town as well as state-wide. We have also included a short financial statement on a separate sheet for your use in any resident newsletters or publications. In the last fiscal year, our services in the area of Addison, Bennington, and Rutland counties comprised of:

- **152 Low-cost, Comprehensive HEAT Squad Energy Audits** were completed on homes
- **44 Home Energy Improvement Projects** were completed and homeowners received a rebate check from Efficiency Vermont
- **30 Energy Loans** were issued, a total of \$397,823.00 to help homeowners make energy improvements
- **66 Down Payment Assistance Loans**, a total of \$1,494,097.00 were made to help homebuyers make it over the 20% down payment barrier
- **13 Rehab Loans**, a total of \$159,798.00 were made to homeowners to make health and safety upgrades to their homes
- **168 families attended Homebuyer Education** and of those, **87 became Home Owners**
- **154 households participated in Financial Coaching**

In Rutland Town alone, we were able to:

- **Provide 3 Low-cost, Comprehensive HEAT Squad Energy Audits**
- **Coach 2 households through Homebuyer Education**
- **Work with 1 households to provide Financial Coaching**

We look forward to your continued support of our organization and our work with the residents of Rutland Town.

Sincerely,
Svea Howard

Marble Valley Regional Transit District
"The Bus"
2020 Town of Rutland, Annual Report

Lee Bizon, Community Outreach

Marble Valley Regional Transit District (MVRTD), known as "The Bus" is in its forty fourth year of providing service to the residents of the greater Rutland area. The Bus is the largest, non-urban, public transportation system in the State of Vermont and provides transportation to the general public throughout Rutland County, as well as to social and human service agencies, the resort communities and area businesses. MVRTD provides an enhanced level of self-sufficiency for the elderly, disabled and transportation disadvantaged who rely on public transportation. System ridership was over 672,500 rides this past year. MVRTD provides 65 jobs year round, with upwards of 80 during the winter peak season.

MVRTD provided over 13,500 rides to Rutland Town. Several of our city fixed routes and commuter routes service Rutland Town. Other highly successful commuter routes operated by MVRTD both within Rutland County and beyond provide connections to three adjoining counties thus serving the growing population committed to the environmental benefits of public transit use as well as the savings realized in the cost of fuel.

MVRTD has provided service under the Elderly and Disabled Program to Rutland Town for many years.

For more information about schedules and services please call 773-3244 x112 or visit MVRTD's web site at www.thebus.com.

MVRTD thanks the residents of Rutland Town for their continued support of public transit.

Live Green – Ride the Bus

2020 CHILD FIRST ADVOCACY CENTER REPORT

Dear Citizens of Rutland Town,

The Child First Advocacy Center (CFAC) serves as a central agency through which reports of suspected child abuse can be channeled for investigation and victim recovery. CFAC was established in 1995 and became a fully Accredited Member of the *National Children's Alliance (NCA)* in 2004. We share with NCA the passion to minimize the traumatic effect of child abuse upon the children and families of our community. CFAC is a non-profit organization serving Rutland County to assist family's in the discovery, intervention, treatment and prevention of child sexual abuse, severe physical abuse and children affected by violence. We provide a safe comfortable environment for the forensic quality and child appropriate interviews, training for professionals and collateral referral services for victims and their non-offending family members. Our agency serves families of all socio-economic levels and is committed to providing quality services regardless of the ability to pay.

In calendar year 2019, The Child First Advocacy Center served 224 clients and 205 family members. As of November 1, 2020, we provided services to 190 clients and 138 of their family members. **We were able to provide wrap around services and support to at least eight Rutland Town families as they began their recovery from the effects of trauma.** In addition, we continue to provide community awareness and education at no cost, in an effort to provide adults with the ability to recognize, react and respond appropriately to child sexual abuse and increase each school districts ability to complete the legislatively mandated ACT 1 initiative also known as Child Sexual Abuse Awareness training for Educators, Community Members and Student's grades K-12.

The Child First Advocacy Center is requesting funds in the amount of \$3000 to continue our efforts in supporting families in your community.

On behalf of the Board of Directors and the Child First Advocacy Center Multidisciplinary Team, we want to thank you for your continued support and dedication. Please feel free to contact me if you have any questions or need further information.

Sincerely,

Wendy Loomis, Executive Director

802-747-0200 or wendy.loomis@partner.vermont.gov

Town of Rutland

TO THE OFFICERS AND CITIZENS OF TOWN OF RUTLAND:

In 2019, the VNA & Hospice of the Southwest Region, formerly known as Rutland Area Visiting Nurse Association & Hospice provided Rutland County residents with exceptional home care, hospice and community health services. From infants with hi-tech needs to our most senior population facing end-of-life care, we continued to bring medically necessary healthcare wherever it is needed, location of residence, or complexity of health issues.

In the face of shrinking government and state reimbursements and rising healthcare costs, VNAHSR has continued to identify community needs and provide essential cost-effective health care services to some of Rutland County's most vulnerable individuals.

In 2019, VNAHSR's dedicated staff made more than 141,507 visits to 3,212 patients. In the Town of Rutland, we provided 5,164 visits to 95 individuals.

In closing, we wish to thank you for your past support. With your vote of confidence, we will continue to meet our mission to enhance the quality of life of all we serve through comprehensive home and community health services.

Ronald J. Cioffi, CEO
CEO

Dan DiBattista
President of the Board of Directors

December 18, 2020

Dear Kari,

Wonderfeet Kids' Museum wishes to gratefully thank Rutland Town and the voters who reside within for the appropriations we received in 2019 & 2020. We are requesting an appropriation of \$4500 to be added to the ballot again in the year 2021 to continue providing services to the families of Rutland Town. Thank you for your consideration and your continued support.

Wonderfeet Kids' Museum is a gem in the heart of Downtown Rutland. Wonderfeet serves families in our community, and lives by its mission to foster curiosity and exploration, inspire creativity and ignite the imagination of every child through the power of play.

Wonderfeet persevered in 2020, welcoming over 4,000 visitors despite the closures and restrictions we were forced to reckon with this year. In addition we were able to adapt to the new and changing needs of the families we serve and become a remote learning hub and offer expanded summer camp and homeschool options. While we continue to provide a magical space for children to learn and grow, Wonderfeet is always seeking new opportunities to assist families in this uncertain time. Please find attached our Impact statement for 2020.

Children's museums are a community wide investment in children and families. These institutions serve as a place of early discovery and the development of life-long learning. Exhibits and programs compliment school curricula and reinforce skills needed for academic success. As cultural attractions, kids' museums have a positive impact on the local economy by bringing visitors into downtown areas. Children's museums strengthen entire communities by developing partnerships that involve schools, colleges, youth organizations, corporate partners and community leaders.

Sincerely,
Danielle Monroe
Executive Director
Wonderfeet Kids' Museum
11 Center St.
Rutland, VT 05701

What is Wonderfeet?

We call Wonderfeet a “Kids’ Museum” because it’s not the traditional “Children’s Museum” you might think of. Rather than relying on exhibits and plaques on the wall that have parents explaining things to their children, Wonderfeet creates engaging playscapes that have kids leading the learning. Children’s minds and imaginations are captured by play - and through that they explore new concepts and engage their parents in important back-and-forth interactions that help families form deeper bonds and children build the brain architecture for future learning. Wonderfeet also supports local schools with field trips and fun STEM classroom programs. And we work with local partners to expand our impact - reaching families of all socio-economic levels in every corner of Rutland County.

Wonderfeet Kids' Museum 2020 Impact

- Despite limited operations, we still welcomed over 4,000 guests to the museum this year. In a regular year, Wonderfeet welcomes over 15,000 guests from 21 states and over 13 countries. Wonderfeet guests shop and dine downtown - making us a vital part of the Downtown Rutland landscape.

- 15 families participated in our weekly support group and play group for babies and new parents called It Takes a Village in partnership with Rutland Regional Medical Center

- In the 2019/20 school year, the education team did outreach programs or field trips at 14 schools, or 424 students.

- Provided critical child care and remote learning support for 20 families through a camp collaboration with Rutland Recreation
- Worked with EasterSeals to provide over 30 supervised family visits for kids in foster care

- Provided 60 kids with summer camp opportunities
- Provided weekly summer outings for the Boys & Girls Club of Rutland County

- Designed and distributed 10,000 free activity kits as part of the Out of the Boxes team this summer
- Distributed over 200 free books with the Children's Literacy Foundation
